Dear Mr. Bruneau,

The letters requesting that the persona non-grata (PNG), that you received in February 2016 be lifted have been received. After careful consideration, your request for access to Aquinas College has been denied indefinitely. You can direct any further questions to myself at [kwiatkev@aquinas.edu](mailto:kwiatkev@aquinas.edu).

Regards,

Kevin Kwiatkowski

Dear Mr. Bruneau,

Your correspondence was forwarded to me for response. I have reviewed the circumstances of the "no trespass" order and do not find a basis for overturning it. The behavior identified was harassing, intimidating and disruptive to our students and other patrons of the College and our library. Your status with the College will remain as is.
